

EXPERIMENT 5A – REPORT

AIM

To design and configure a report in Zoho Creator for the Vehicle Service & Repair Request Management application and display submitted service-request records in an organized report view.

ENTITIES / FEATURES USED

Zoho Creator Report; Service_Request_Form_Report; Service_Request_Form records; report fields including Vehicle Registration Number, Vehicle Type, Email, Phone, Address, Odometer Reading, Owner Name, Service Request ID, Estimated Service Cost, Service Discount Percent, Net Service Cost Payable, Service Request Submitted On, Status and Owner Digital Signature; report layout and field configuration.

Screenshots

The screenshot displays the Zoho Creator interface for the 'Vehicle Service & Repair Request Management' application. The left sidebar shows the application structure with 'Vehicle_Models Report' selected. The main area shows a report titled 'Vehicle_Models Report' with a table containing one record: 'Hyundai i20 n line' with a 'Car wash' service package and an 'Estimated Duration' of '2 hour'. A notification 'Vehicle Model Added Successfully!' is visible at the top. The bottom of the screen shows the Windows taskbar with the date '28-09-2020' and time '09:00'.
